SUBJECT: Robert L. Ingraham

Dear Wayne:

Early this year we received information from you concerning the above named individual. This was very helpful to us in being able to identify Mr. Ingraham should he attempt registration with the Boy Scouts of America.

We would like to know the outcome of the legal action which must have taken place by this time. In March, he was charged with two counts of first degree sexual abuse. We must have the outcome of this legal action to complete our file so anyone in the future will have enough information to refuse registration without further research.

Please let us know if we can be of any help to you.

Sincerely,

Paul Ernst, Director

Dear Wayne:

Thank you for the information which you recently sent us concerning the above-named individual. This will be most helpful to us and enable us to establish a file which will lead to refusal of registration attempts.

We would like to have the outcome of any legal action which has taken place so that we will have the complete file for use of people in the future.

Please send us the outcome of the legal action and any sentencing which takes place. This will then complete our file and enable us to refuse a registration attempt should one occur any place in the country.

Thank you again for your help in protecting the youth of America.

Fort Ann man faces sex counts

FORT ANN — A 39-year-old Fort Ann man, suspected by police of sexually abusing two young boys here, was charged with two counts of first-degree sexual abuse Tuesday, county investigators said.

Robert L. Ingraham, of Copeland Pond Road, was arrested at his home following a long investigation into the charges, said Washington County District Attorney's office investigator Roger Leclair.

Ingraham was ordered held in Washington County Jail in lieu of \$1,500 cash bail or a \$2,500 bond in connection with the charges, Leclair said.

Investigators allege Ingraham had sexual contact with a 7-year-old boy and an 8-year-old boy while in his Fort Ann home sometime during the past four months, Leclair said.
